PROVIDENCE BAPTIST CHURCH FELLOWSHIP HALL FACT SHEET

- The public is invited to attend the opening of Providence Baptist Church's new fellowship hall on Sunday May 3 at 10:30 a.m.
- The fellowship hall is located at 2900 Lee Road 166 west of the current church facilities.
- The event will begin with a walk from the old church to the new fellowship hall to symbolize the church taking steps forward in its mission to serve the community.
- A regular church service will be held during the event featuring a message of commemoration from church pastor Dr. Rusty J. Sowell and Gospel singing from the Providence Baptist Church Choir under the direction of music minister Dr. Thomas R. Smith.
- A celebration luncheon will conclude the service. Meals will be prepared on-site in the new fellowship hall's kitchen. All are invited to stay for the meal.
- The building will serve several functions for the church and community. It will be the temporary sanctuary for Providence church services, a community center for public use and an emergency aid shelter in a time of crisis.
- The fellowship hall is phase one of three in Providence's plans for expansion.
